Re: Charter Communications/Time Warner Cable/Bright House Networks Merger

Dear Chairman Wheeler:

My name is Joseph W. Brady, CCIM, SIOR and President of Joseph W. Brady Inc. dba The Bradco Companies, the High Deserts longest established and most prestigious provider of commercial brokerage services. Since 1993 I have been the Publisher of the Bradco High Desert Report, the only economic overview that covers the High Desert portion of San Bernardino County and the Cities of Adelanto, Apple Valley, Barstow, Hesperia and Victorville. We cover an area of 1,700± square miles and we have an online readership of over 3,000± readers. We also print nearly 1,500± newsletters. We have been publishing since May of 1993.

We have worked with Charter Communications for many years. We have very much enjoyed the working relationship of Charter Communications and most importantly the leadership that they have brought within our local community. I personally and professionally believe that as an industry leader throughout the High Desert region that the proposed merger of Charter Communications, Time Warner Cable and Bright House Networks into a new Charter Communications platform will bring the latest technology to our community at the most affordable rates.

We are particularly excited about the company's low-income program, which will help many of our residents. Many of our 442,000± residents are on Welfare (nearly 40%) and we still have some of the highest unemployment in the nation and California due to our location in Southern California and the rather severe implosion of the housing market that took place in 2008 economic downturn.

Although we have not used the Bright House Networks platform we understand through others that have that the new Charter Communications low-income program would be adopted from an already very successful initiative currently offered by Bright House Networks. That type of platform is needed in an area such as the Victor Valley that has been challenged by the 2008 economic recession.

At the end of the day we need more companies such as Charter Communications to be partners with our local communities. If I can be of any further assistance or if you have any questions regarding this letter I can be reached at my office (760) 951-5111 x101, via email to jbrady@thebradcocompanies.com, or on my cell (between 9:00 AM and 6:00 PM daily) at (760) 954-4567.

Very truly yours,

Joseph W. Brady, CCIM, SIOR
President
